

Youth Ministry Position

Hilltop Lakes Chapel, an inter-denominational church in Hilltop Lakes, Texas, is seeking a part-time Youth Minister.

The Chapel is a loving, Christ-centered congregation which is seeking to expand its outreach and ministry to Chapel and area youth. Hilltop Lakes is a beautiful community in Leon County, Texas, about 45 minutes away from B/CS. Members of the Chapel come from Hilltop Lakes and from the surrounding area.

Position Overview

The Youth Minister will be a mature Christian who can reach out to, disciple, and model Christ for youth, particularly high-school aged youth. The Youth Minister's principal on-site responsibilities occur twice a week: Wednesday evenings and Sunday mornings. Being present at other, occasional activities will also be needed, such as at a youth fellowship, at a local youth-related event (e.g. a high school ball game), etc.

The Youth Minister will be able to work cooperatively under the leadership of the Senior Pastor, and the Youth Minister's teachings will be in harmony with the beliefs of the Chapel, generally summarized as interdenominational, Christ as our Head, Biblically grounded, and Kingdom of God oriented.

We hold to the teachings of the Bible and the understanding of the Church for the last two millennia that sex is created and reserved for marriage between a man and a woman, and that gender is established at conception. We believe that youth need the Church, unapologetically and with clarity, to teach them about God's design and plan for people in these areas.

(A more detailed position description is available.)

Chapel Support

The Chapel will

- Support the Youth Minister and the youth program with prayer;
- Provide financial support of \$1,250/month for the Youth Minister;
- Provide a budget for the youth program;
- Always remain prayerfully open to special program requests that may not have been anticipated in the budget or anticipated in other ways (such as a youth rally, summer camp, etc.)

**If you are prayerfully interested in this ministry opportunity,
please send a letter of interest to**
